Company Needs

Do you have 5 minutes? This is all I need

Different Positions

Different Priorities

Different Time Evaluation

Low Code

You don't need a Data Analyst all the time

Simplified procedures

Fast results

Mandatory communications

To Big Data

Making Security Experts, DAs and Devs Happy

Trusted applications

Secure connections

Better auditing

Productivity

#GlobalAzureAthens

Architecture

#GlobalAzure

Architecture

Let's see what we need

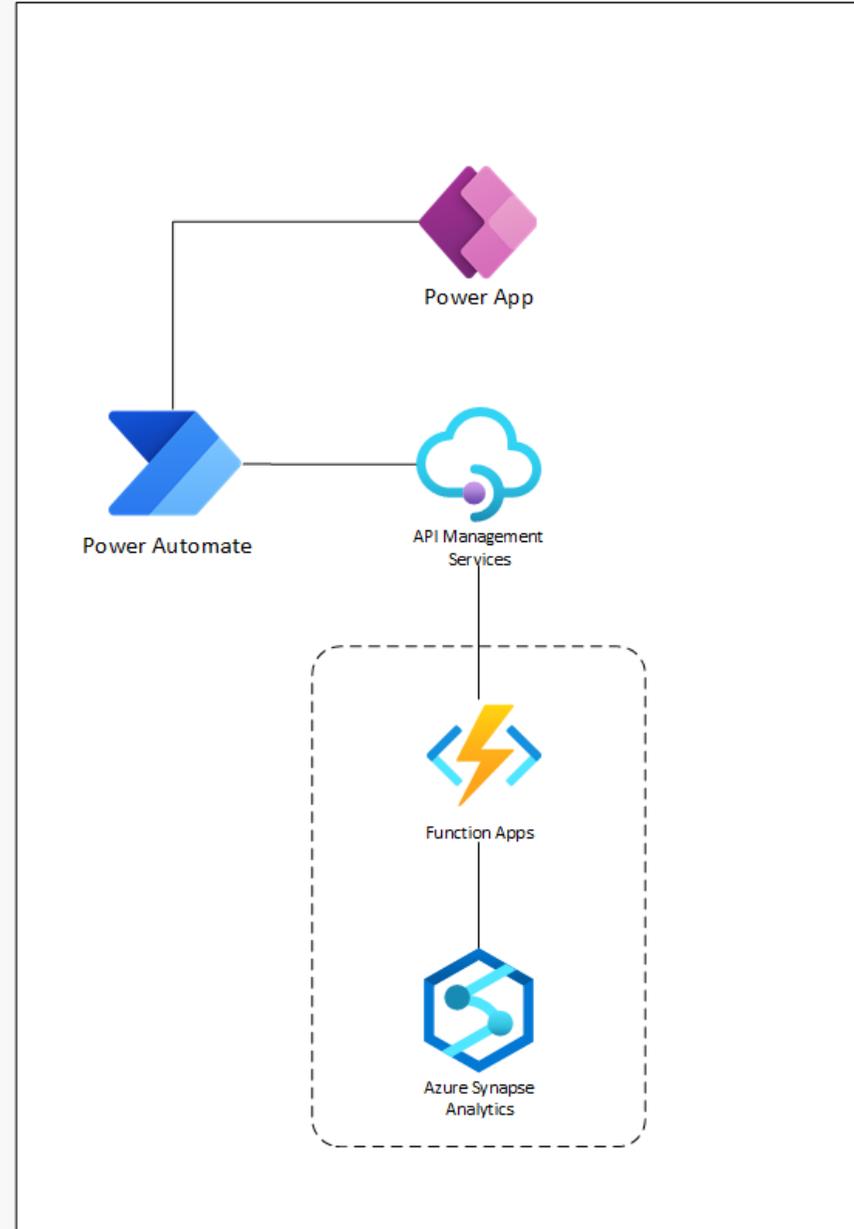

Power Apps

Power Automate

Azure API Management

Azure Function

Azure Synapse Analytics
